READ PSALM 119:105

When you walk into a dark room, what's the first thing you do? You turn on a light. Otherwise, you'd stub your toe on your dresser or trip over your LEGO®s. When you're in the dark, it makes sense to turn on a light.

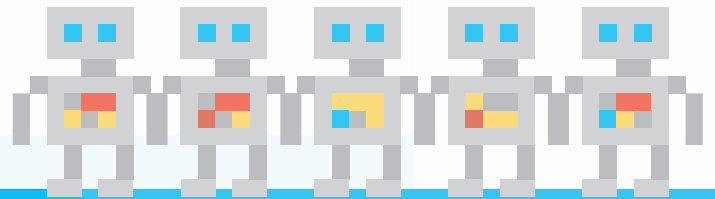

Guess what? God has given us a light so we know where to go. The Bible, God's Word to us, shows us how we should live. It tells us how to treat others and how to make wise choices. God's word is like a light showing us where to go and what to do. You can know God through His Word.

Bottom Line: You can know God through His Word.
Josiah • 2 Kings 22-23

Write today's verse on six separate index cards or pieces of paper and tape them to several lights around your home. Every time you turn on a light, read the verse and then ask yourself, "Have I read God's Word today?" If not, grab your Bible and get busy!

ASK God to help you read His word so you can follow Him each day!
