### READ JEREMIAH 33:2-3

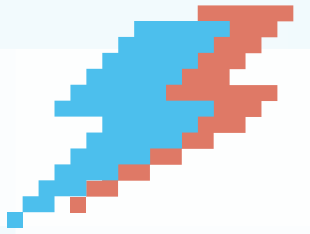

God asked Abram to leave behind everything and go to a place he'd never been before. Abram didn't have a map or a GPS to plug the address into. But he trusted God. Abram didn't have to know everything. He just needed to start following.

The same is true for us. We'll never have all the answers to all our questions but we can choose, like Abram did, to follow God.

Is there something that's been on your mind lately? Maybe there's a problem you can't figure out how to

solve or there's something you've been praying about. On a scrap of paper, write down your prayer request and today's date. Fold up the piece of paper and stick it in your Bible at Jeremiah 33. When God finally gives you an answer, write it down along with the date on the opposite side.

**THANK** God for the opportunity to know Him.

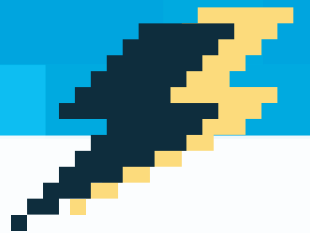

**Bottom Line: God wants you to know Him.**
