

21 DAYS OF PRAYER

Join us in interceding for these three things for the church:

FRUIT– that we would experience the fruit of loving others out of our connection to Jesus. And that He will give us fruit in our FRANC list relationships that people will become followers of Jesus, get baptized and grow as disciples with us.

ENGAGEMENT – that we'd see people drawn into our All Shores family, from stranger to family member by becoming disciples who attend service, serve, give and abide with Jesus. That we live and serve both deployed into our communities and within the church family together. That we will all grow in how we help “guide new people into our church family”.

FINANCES – that we would discover the joy of worship through giving and cultivate a life of generosity and sacrifice; that God will provide for our needs, we will steward well all that is entrusted to us, we will embrace our limits and seek Him to discern how to interpret the times of financial uncertainty.
